Re: USA v. Jeffrey Charles Burfeindt
Docket No.: 10-cr-320

Dear Judge McAvoy:

I am writing to request an adjournment of the sentencing in this matter which is currently scheduled for May 13, 2011 in Albany, New York. Recently Mr. Burfeindt's aged mother was diagnosed with severe aortic stenosis as well as cancer of the colon. Mrs. Burfeindt will undergo open heart surgery in the very near future. Following her heart surgery, she will undergo surgery to remove a cancerous tumor in her colon. As you may be aware, Mr. Burfeindt lives at home with both of his parents and provides a large measure of assistance and support for them. My client's presence in the Burfeindt house following the surgical procedures which his mother must undergo would significantly enhance her convalescence. I have apprised Mr. Belliss of these developments and he does not oppose my request that the sentencing be adjourned for a period of sixty (60) days.

Upon your review of this correspondence, I would respectfully request that you advise as to whether Mr. Burfeindt's request will be granted.

Very truly yours,

FREDERICK RENCH, ESQ., PLLC
